The Opera Scholars Australia Program was set up in 1998 with the purpose of offering talented young singers between the age of 17 and 26 (now 28) the opportunity to further develop their talents through a variety of performances and professional tuition. At Opera in the Alps, Opera by the Loch and Opera in the Market the singers have the opportunity to perform in front of a 100 voice choir and professional orchestra led by Australian and overseas conductors.

From eight scholars in 1998 the program has expanded to thirty scholars who are nurtured and tutored by Graeme and Margot Wall – both former opera singers – who, through Australian Music Events, operate the program. Yvonne Kenny AM has shown great interest in the program and is now its patron.

Today we all offer our support for these rising stars of the future and for the promotion of opera in Victoria.

*You may wish to join the 5 day RACV County Club Healesville Stayput program which commences on May 6. See page 42 for details. Save \$100 off the Healesville Stayput fare if you book both together at the same time.
